

## Best agers project

Hümeyra Baykan attended [BestAgers Project Fair, Hamburg, 15-16 November 2011](#) and presented Bazaar. The Best Agers Project Fair gave organisations the opportunity to present their activities with an information stand and exchange experience and approaches with each other. Panel discussions gave additional opportunity to discuss the Best Agers' involvement in work life and business. Hümeyra Baykan participated at the panel discussion to the topic: How can best agers to be motivated to use their skills?
